# GO DADDY
# DOMAIN NAME REGISTRATION AGREEMENT

This Domain Name Registration Agreement ("Agreement") is by and between GoDaddy.com, Inc. a/an Arizona corporation or in the event of a .ca domain name, by and between Go Daddy Domains Canada, Inc., a Canadian corporation, collectively ("Go Daddy") and you, your heirs, agents, successors and assigns ("You"), and is made effective as of the date of electronic execution. This Agreement sets forth the terms and conditions of Your use of Go Daddy's Domain Name Registration and represents the entire agreement between You and Go Daddy. By participating in this transaction, You acknowledge that You have read, understand and agree to be bound by all the terms and conditions of this Agreement, including our dispute policy and the ICANN Transfer Dispute Resolution Policy along with any new, different or additional terms, conditions or policies, including the Universal Terms of Service which Go Daddy may establish from time to time. Such Agreements may be found here.

In addition to transactions entered into by You on Your behalf, You also agree to be bound by the terms of this Agreement for transactions entered into on Your behalf by anyone acting as Your Agent, and transactions entered into by anyone who uses the account You've established with Go Daddy, whether or not the transactions were in Your behalf. You acknowledge that Go Daddy's acceptance of any application made by You for services provided by Go Daddy will take place at the Internet Corporation for Assigned Names and Numbers ("ICANN") accredited registrar's offices located in Scottsdale, Arizona, USA.

You acknowledge that Go Daddy is a registrar bound by an agreement between Go Daddy and ICANN. You agree that Go Daddy may modify this agreement in order to comply with applicable law and the terms and conditions set forth by the ICANN and/or the Registry Administrator chosen by ICANN, as well as any registration rules or policies that may be published from time to time by Go Daddy. To identify the sponsoring registrar, click here.

## 1. FEES

In consideration for the services and products ("service") purchased by You and provided to You by Go Daddy, You agree to pay Go Daddy at the time service is provided. Payment is to be made by You by providing one of the following: a valid credit card, an online check, PayPal, GoDaddy Gift Card, "Good As Gold" (collectively, the "Payment Method"). Personal checks and money orders must be for payments of $100 or more, and issued in U.S. dollars for the full amount required at that time. All money orders will be delayed ten (10) days until the money is credited, which may delay Your usage of the product or service, and any money order that does not clear will result in a $25 processing fee. Personal checks under $1,000 are subject to the same processing fees as wire transfers. All personal checks will be delayed fourteen (14) days until the money is credited, which may delay Your usage of the product or service, and any check that bounces will result in a $25 bounced check fee. If You purchase an automatically renewing service or product by personal check, it is Your responsibility to make payment arrangements for each renewal payment. You understand that ICANN requires Go Daddy to collect a small registration fee when You purchase Your domain name registration. You agree to pay such fees. Payments are non-refundable. If for any reason Go Daddy is unable to charge Your Payment Method for the full amount owed Go Daddy for the service provided, or if Go Daddy is charged a penalty for any fee it previously charged to Your Payment Method, You agree that Go Daddy may pursue all available remedies in order to obtain payment. You agree that among the remedies Go Daddy may pursue in order to effect payment, shall include but will not be limited to, immediate cancellation without notice to You of any domain names registered or renewed on Your behalf. Go Daddy reserves the right to charge a reasonable service fee for administrative tasks outside the scope of its regular

services. These include, but are not limited to, customer service issues that cannot be handled over email but require personal service, and disputes that require legal services. These charges will be billed to the Payment Method we have on file for You. You may change Your Payment Method at any time by logging into Your Account Manager and selecting Credit Card and Payment Information.

**Domain Name Renewals**

When You register a domain name, automatic renewal is the default setting, which You must deactivate if You do not want Your domain name(s) to be automatically renewed. For certain ccTLDs (.am, .at, .be, .ca, .cn, .com.cn, .net.cn, .org.cn, .de, .eu, .fm, .gs, .it, .jp, .ms, .nu, .nz, .co.nz, .net.nz, .org.nz, .tc, .tk, .tw, .com.tw, .org.tw, .idv.tw, .uk, .co.uk, .me.uk, .org.uk, and .vg) renewal billing will occur on the first day of the month prior to the month of expiration. Unless You disable the automatic renewal option, Go Daddy will automatically renew, for a period equivalent to the length of Your original registration, any domain name that is up for renewal and will take payment from the Payment Method You have on file with Go Daddy, at Go Daddy's then current rates. Thus, if you have chosen to register your domain name for one (1) year, Go Daddy will automatically renew it for one (1) year. If You have chosen to register Your domain name for two (2) years, Go Daddy will automatically renew it for two (2) years, and so on. Domain name renewals will be non-refundable. If for any reason Go Daddy is not able to take the payment from the Payment Method You have on file, and You fail to respond to our notices, Your domain name registration will expire. It is Your responsibility to keep Your Payment Method information current, which includes the expiration date if you are using a credit card. If You do not elect that the domain name be automatically renewed, You have the responsibility of logging into the Domain Manager portion of your Account Manager for that domain name and manually implementing the renewal by the expiration date (should You in fact want the domain name to be renewed). If You fail to manually implement the renewal before the expiration date, the domain name will be cancelled and You will no longer have use of that name.

For certain ccTLDs (.am, .at, .be, .ca, .cn, .com.cn, .net.cn, .org.cn, .de, .eu, .fm, .gs, .it, .jp, .ms, .nu, .nz, .co.nz, .net.nz, .org.nz, .tc, .tk, .tw, .com.tw, .org.tw, .idv.tw, .uk, .co.uk, .me.uk, .org.uk, and .vg) You must renew no later than the 20th of the month prior to the expiration date, or Your domain name will be placed on non-renewal status. When the domain name is in non-renewal status, You can renew the domain name only by calling Go Daddy and requesting that the domain name be renewed. You cannot renew the domain name through your Account Manager . If You fail to manually implement the renewal before the expiration date, the domain name will be cancelled and You will no longer have use of that name.

You agree that Go Daddy will not be responsible for cancelled domain names that You fail to renew, either automatically or manually in the timeframes indicated in this Agreement. In any case, if You fail to renew Your domain name in a timely fashion, additional charges may apply. If You signed up for domain masking, domain forwarding, or any other similar service, with Your domain registration, these services will be automatically renewed when Your domain registration is up for renewal, and You will incur the applicable additional renewal fee unless You cancel in advance.

If You fail to renew Your domain name in the timeframes indicated in this Agreement, You agree that Go Daddy may, at its sole discretion, renew Your expired domain name on Your behalf. If Go Daddy decides to renew Your expired domain name on Your behalf, You will have a Renewal Grace Period during which You may reimburse Go Daddy for the renewal and keep Your domain name. The Renewal Grace Period is currently twelve (12) days but subject to change under the terms of Section 2 of this Agreement. For certain ccTLDs (.am, .at, .be, .ca, .cn, .com.cn, .net.cn, .org.cn, .de, .eu, .fm, .gs, .it, .jp, .ms, .nu, .nz, .co.nz, .net.nz, .org.nz, .tc, .tk, .tw, .com.tw, .org.tw, .idv.tw, .uk, .co.uk, .me.uk, .org.uk, and .vg) there is no Renewal Grace Period after the expiration date of the domain. If You do not reimburse Go Daddy for the renewal during the Renewal Grace Period Your

domain name will be placed on Hold and flagged for deletion after which You will have a 30-day redemption period during which You may pay Go Daddy a Redemption fee and redeem Your domain name. The Redemption fee is currently $80 USD and is subject to change under the terms of Section 2 of this Agreement. If You do not redeem Your domain name prior to the end of the 30-day redemption period Go Daddy may, at its sole discretion, delete Your domain name or transfer it to another registrant on Your behalf.

If Your domain is deleted, the Registry also provides a 30-day Redemption Grace Period during which You may pay Go Daddy a redemption fee and redeem Your domain name. The redemption fee is currently $80 USD and is subject to change under the terms of Section 2 of this Agreement. If You do not redeem Your domain name prior to the end of the Registry's Redemption Grace Period the Registry will release Your name and it will become available for registration on a first-come-first-served basis.

Renewal Grace Periods and Redemption Grace Periods vary for different ccTLDs. Please refer to the specific terms for the applicable TLD. In the event of a conflict between this paragraph and the ccTLD terms, the ccTLD terms shall control.

## 2. TERM OF AGREEMENT; MODIFICATIONS

The term of this Agreement shall continue in full force and effect as long as You have any domain name registered through Go Daddy. You agree that You will not transfer any domain name registered through Go Daddy to another domain name registrar during the first sixty (60) days from its initial registration date. You further agree that Go Daddy may charge You a small fee if You cancel Your domain within the five (5) day grace period after registering Your domain with Go Daddy and Go Daddy refunds the price of Your domain. Go Daddy will not charge You a fee if Go Daddy cancels Your domain name during this period because of fraud. Provided, however, the five (5) day grace period does not apply to Premium Domains, which are non-refundable.

You agree that Go Daddy may modify this Agreement from time to time. Go Daddy may also discontinue services it provides under this Agreement. You agree to be bound by any changes Go Daddy may reasonably make to this Agreement when such changes become effective. Should You elect to cancel Your Agreement with Go Daddy, You will not receive a refund for any fees You may have paid to Go Daddy.

You agree that Go Daddy shall not be bound by any representations made by third parties who You may use to purchase services from Go Daddy, and that any statements of a general nature, which may be posted on Go Daddy's web site or be contained in Go Daddy's promotional materials, will not bind Go Daddy.

You also agree that if Go Daddy is notified that a complaint has been filed with a governmental, administrative or judicial body, regarding a domain name registered by You using Go Daddy, that Go Daddy, in its sole discretion, may take whatever action Go Daddy deems necessary regarding further modification, assignment of and/or control of the domain name deemed necessary to comply with the actions or requirements of the governmental, administrative or judicial body until such time as the dispute is settled. In this event You agree to hold Go Daddy harmless for any action taken by Go Daddy.

## 5. TRANSFER OF DOMAIN NAMES; RESALE PRACTICES

If You transfer any domain name, You agree to provide the information required by, and to abide by, the procedures and conditions set forth in our Domain Name Transfer Agreement . You may view the latest version of our Domain Name Transfer Agreement online. In order to further protect Your domain, any domain registered with Go Daddy or transferred to Go Daddy shall be placed on lock status. The domain must be placed on unlock status in order to initiate a transfer of the domain name away from Go Daddy to a new Registrar. You may log into Your account with Go Daddy at any time after Your domain name has been successfully transferred to Go Daddy, and change the status to unlock.

In the event You are purchasing a domain name on behalf of a third party, You agree to inform any customer of Yours, who may be acquiring a domain name through You using Go Daddy's registration services, that they are in fact registering their domain name through Go Daddy and that Go Daddy is an accredited registrar with ICANN. You agree not to represent that You are an ICANN accredited registrar or that You are in any way providing superior access to the ICANN Domain Name Registry. You also agree not to use the ICANN trademark logo in any of Your promotional materials including Your web site.

You agree to obtain each of Your customers' acceptances of Go Daddy's then current Domain Registration Agreement, and to retain evidence of their acceptance for a period of not less than three (3) years. ## 10. PROVISIONS SPECIFIC TO .BIZ REGISTRATIONS

If You are registering a .BIZ domain name You also agree to:

### .BIZ Restrictions

Registrations in the .BIZ TLD must be used or intended to be used primarily for bona fide business or commercial purposes. For purposes of the .BIZ Registration Restrictions ("Restrictions"), "bona fide business or commercial use" shall mean the bona fide use or bona fide intent to use the domain name or any content, software, materials, graphics or other information thereon, to permit Internet users to access one (1) or more host computers through the DNS:

i. To exchange goods, services, or property of any kind;

ii. In the ordinary course of trade or business; or

iii. To facilitate (i) the exchange of goods, services, information, or property of any kind; or, (ii) the ordinary course of trade or business. Registering a domain name solely for the purposes of (1) selling, trading or leasing the domain name for compensation, or (2) the unsolicited offering to sell, trade or lease the domain name for compensation shall not constitute a "bona fide business or commercial use" of that domain name.

## .BIZ Certification

As a .BIZ domain name registrant, You hereby certify to the best of Your knowledge that:

i. The registered domain name will be used primarily for bona fide business or commercial purposes and not (i) exclusively for personal use; or (ii) solely for the purposes of (1) selling, trading or leasing the domain name for compensation, or (2) the unsolicited offering to sell, trade or lease the domain name for compensation. More information on the .BIZ restrictions, which are incorporated herein by reference, are available online.

ii. The domain name registrant has the authority to enter into the registration agreement; and

iii. The registered domain name is reasonably related to the registrant's business or intended commercial purpose at the time of registration.

## Domain Name Dispute Policy

If You reserved or registered a .BIZ domain name through us, You agree to be bound by our current domain name dispute policy that is incorporated herein and made a part of this Agreement by reference. Please take the time to familiarize Yourself with that policy. In addition, You hereby acknowledge that You have read and understood and agree to be bound by the terms and conditions of the following documents, as they may be amended from time to time, which are hereby incorporated and made an integral part of this Agreement:

i. The Uniform Domain Name Dispute Policy;

ii. The Start-up Trademark Opposition Policy ("STOP"); and

iii. The Restrictions Dispute Resolution Criteria and Rules.

The STOP sets forth the terms and conditions in connection with a dispute between a registrant of a .BIZ domain name ("Registrant") with any third party (other than Registry Operator or Registrar) over the registration or use of a .BIZ domain name registered by Registrant that is subject to the Intellectual Property Claim Service. The Intellectual Property Claim Service is a service introduced by Registry Operator to notify a trademark or service mark holder ("Claimant") that a second-level domain name has been registered in which that Claimant claims intellectual property rights. In accordance with the STOP and its associated Rules, those Claimants will have the right to challenge registrations through independent ICANN-accredited dispute resolution providers.

The UDRP sets forth the terms and conditions in connection with a dispute between a Registrant and any party other than the Registry Operator or Registrar over the registration and use of an Internet domain name registered by Registrant.

The RDRP sets forth the terms under which any allegation that a domain name is not used primarily for business or commercial purposes shall be enforced on a case-by-case, fact specific basis by an independent ICANN-accredited dispute provider. None of the violations of the Restrictions will be enforced directly by or through Registry Operator.

Registry Operator will not review, monitor, or otherwise verify that any particular domain name is being used primarily for business or commercial purposes or that a domain name is being used in compliance with the SUDRP or UDRP processes.

### Domain Name Dispute Policy Modifications

You agree that we, in our sole discretion, may modify our dispute policy. We will post any such revised policy on our web site at least thirty (30) calendar days before it becomes effective. If we are notified that a complaint has been filed with a judicial or administrative body regarding Your use of our domain name registration services, You agree not to make any changes to Your domain name record without our prior approval. We may not allow You to make changes to such domain name record until (i) we are directed to do so by the judicial or administrative body, or (ii) we receive notification by You and the other party contesting Your registration and use of our domain name registration services that the dispute has been settled. Furthermore, You agree that if You are subject to litigation regarding Your registration and use of our domain name registration services, we may deposit control of Your domain name record into the registry of the judicial body by supplying a party with a registrar certificate from us.
